

Thank you for your purchase of a Design 300 in home consultation!

We are excited about turning your dreams into reality. We have set up an appointment to meet you in your home on: _____

Before we meet with you it is important for us to gather as much information as possible so that we can be both efficient with your time and responsive to your needs. We have some homework for you to complete and return to us by fax (512-532-6443) or by email (wniels@interiordesigngallery.com) at least 3 days before your scheduled appointment.

This information form is a valuable tool, and we thank you in advance for filling it out as completely as possible. By providing us with this information, you will save money by paying us *only* for our professional design services, not information-gathering! In addition we will more clearly be able to understand your wants and needs, thus enabling us to successfully create the space you've always envisioned.
